Literacy and Numeracy Trail

Use a zoo map to find the animals and to help you answer the questions!

Hello little Zoo Keepers, welcome to Welsh Mountain Zoo! There are lots of things for you to do to keep you busy.

Firstly can you fill in your zookeeper badge on the last page and draw a picture of yourself so all of the animals know who you are?

When you’re finished, you can start to answer the questions in this booklet. Remember to ask for help if you don’t understand something.

Have a great day!

Zookeeper Badge

Name:

Age:

Favourite animal:

Picture of yourself:
Chimpanzee

How many Chimpanzees can you see? [ ]

Are the Chimpanzees big or small?
- Big [ ]
